

## DAVID KALMAN Z"L

One of the most prominent social workers in Kutno even before the First World War. Particularly active in the General Jewish Library (before the *Bund* took over), organized lectures on literary topics.

In 1919 he was elected by the Zionists as town councilor in the Kutno Municipality.

He died in the year 1923. The funeral should have happened on Sunday early but the Christian councilors asked to postpone it to noon, so that they too could pay their last respects to the deceased.
