

REMEMBER

The people of Kutno and surroundings were men, women and children who were tortured and murdered in martyrdom by the German Nazi oppressors and their Ukrainian and Polish aides.

May God remember them for the good and may their souls be bound in the bundle of life, among the other martyrs of Israel.

"For He who avenges blood remembers them, He has not forgotten the cry of the humble."

And here are the names of our townsmen who were murdered, butchered, burned and hanged in martyrdom – during the Second World War.
